

# JDRF Bingo

## The rules

Print and cut out each of the calling card images below and place into a bowl.

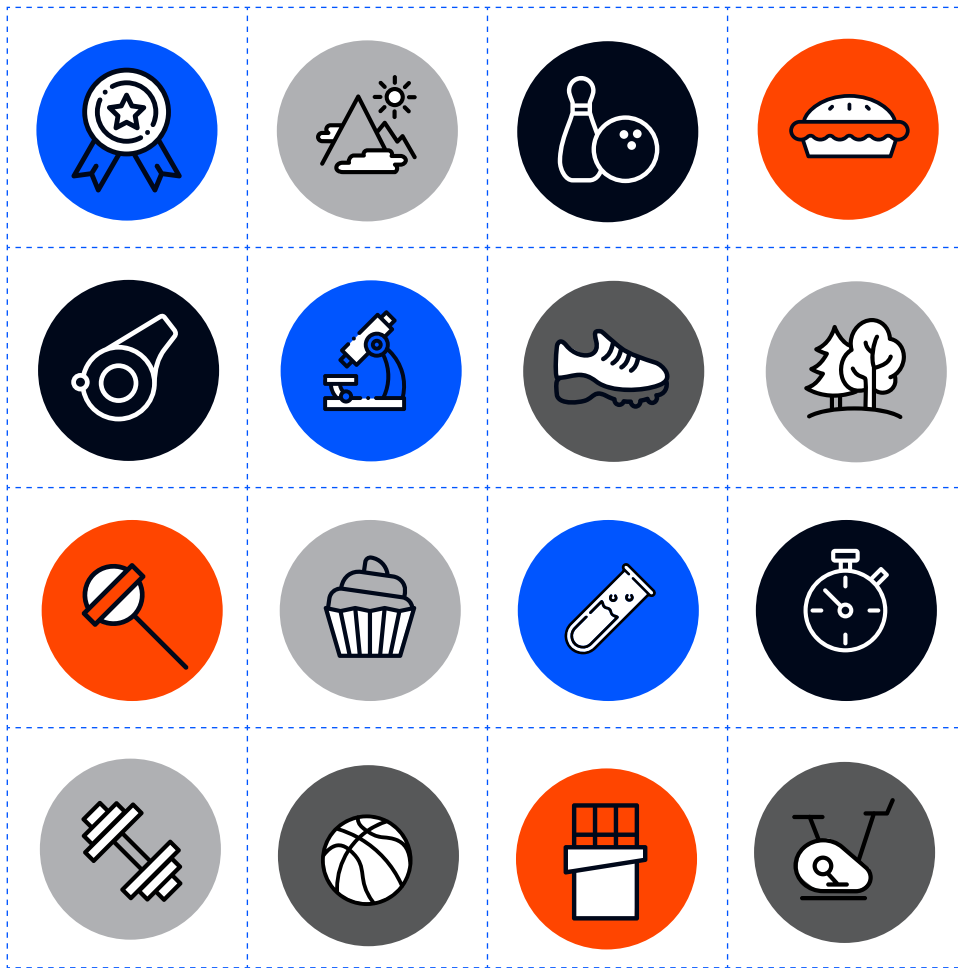

1. Sell each player a bingo board. It doesn't matter if they get the same one as someone else. The winner is the fastest to shout Bingo!
2. Take one card out of the bowl at a time and call out its name. If a player has that card on their bingo board they cross it off.
3. The winner is the first person to cross out a full line (horizontal or vertical) and shout 'Bingo!'
